SUMMARY

Hello my name is Rey im a web developer, and a passionate designer who is enthusiastic about embracing new technologies and carefully crafting elegant web applications. I'm an autodidactic person who is independent, looking for an opportunity to gain employment with a company or institution that offers me a consistently positive atmosphere to learn and implement new technologies for the betterment of myself and the organization.

EXPERIENCE

DevMountain

11 / 2015 - 02 / 2016

Intern

All-purpose intern for the revolutionary coding bootcamp DevMountain, located in Provo, Utah. Actively engaged in using my software stack knowledge and design background to assist students with complex JavaScript, HTML, CSS, and AngularJS problems. Continuing to challenge myself to learn new technologies and improve my coding skillset.

Intermountain Healthcare

05 / 2014 - 10 / 2015

Respiratory Equipment Assistant

Duties consist of : Delivering/picking-up medical equipment for hospitals and patients homes, and briefing patients on the proper use and care of their equipment.

EDUCATION

Salt Lake Community College

2015 - 2019

Computer Applications (M.C.A.) , Computer Science

DevMountain

2015 - 2016

Full stack MEAN web development

Ateneo
High School

2010 - 2011
